

# Hosea: Love that Saves

## The Background and Historical Setting:

1. Religious—much activity but very little knowledge (4:6; 5:4) and much idolatry (8:12). The issue was they were Yahweh worshipers AND... (esp. Baal worship). *Why would they add Baal worship?*
2. Moral—their conduct and character was like the nations around them. The wealthy took advantage of the poor and all people showed little compassion. Injustice in the courts was common.
3. Political—the period of prosperity (800-750 BC) had brought a false sense of security and now Tiglath-Pileser III (Assyrian ruler 745-727 BC) was beginning to become aggressive. The second half of the 8th century saw Israel (the Northern Kingdom) have one weak king after another.

## The Book as a Whole:

1. It is the \_\_\_ and \_\_\_\_\_ of the 12 minor prophets in the Hebrew Bible.
2. This book occurs during the 8th century (3 other prophets during this time), probably during the years 753-715 BC.
3. It is one of the \_\_\_\_\_ frequently quoted minor prophets in the NT.

## The Prophet Himself:

1. Hosea means “\_\_\_\_\_”.
2. Hosea’s occupation may have been a baker, farmer or even priest (unsure).
3. Hosea may have been well-educated since the vocabulary and syntax is fairly eloquent.
4. Hosea’s call was “\_\_\_\_\_” (1:2).
5. Hosea’s personal life is the basis of God’s message to Israel (even the names of his children were a message from God).
