Easter

by Estela Canama

Let every heart be filled with joy,
A joy of thankfulness to our Savior and King!
He is victorious over sin and death.
He conquered death to give us a new life.

A life blossoms through His unending love.
It is for a cause and without condition
The love that brings healing and reconciliation,
A pure love that creates in us real peace.

Peace that springs from his sacred heart,
A heart that bleeds for our affliction.
It is full of mercy and compassion,
A heart wounded for our sins and Vainglory.

Rejoice! Jesus is truly risen from the dead
For us to live once again,
To live without blemish of pride,
And live a life unselfishly for others in need.
