"An Attitude of Gratitude"

by Deborah Ann Belka

An attitude of gratitude,
 is content in every way
 it knows material wealth
 often leads to spiritual decay....

No matter how it feels,
 it never acts hard pressed
 it may feel down and out
 but never truly stressed.

An attitude of gratitude,
 knows God's in control
 it finds true contentment
 and joy fills its very soul....

It wants to share,
 with everyone that it can
 the Good News it has found
 in God's eternal plan.

An attitude of gratitude,
 is an act of faith with grace
 you'll know the ones who have it
 by the smiles on their face!
